My America

- 1 Sal is in second grade. He made a poster. The title of his poster is "My America." He used pictures. The pictures show what Sal learned about the United States. Each one shows an important idea.
- 2 Sal found a picture of Ellis Island. The picture is at the top of his poster. It shows where some immigrants arrived in the United States. In the middle of his poster he put a picture of the U.S. flag. Each star on the flag stands for a state. Below the flag is a picture of the White House, where the President lives.
- 3 Then Sal found a picture of himself. He put it on the bottom of his poster. The picture shows that Sal is part of this country. Sal's poster shows important ideas about the United States.
