

# What Are We Learning?

## Reading and Writing:

- We will continue to learn about point of view and perspective. We will write a persuasive letter and a fairy tale from another character's perspective.

## Word Work:

- We will continue to learn about homophones.

## Math:

- We will review problem-solving strategies.

## Science:

- We will learn about light and sound.

**Character Trait:** The character trait of the month is **gratitude**. Talk with your child about how they can show gratitude at school and at home.
